(Christ is completing God becoming All in all, with the Body acting as Christ's complement -- Ephesians 1:22-23)		Believing Israel serves as God's instrument as God interacts with mankind.			
Who is the ekklesia (called-out-ones … commonly translated "church")?	The ekklesia = The Body of Christ (Israel is calloused "until the complement of the nations may be entering. And thus all Israel shall be saved…" -- Rom 11:25-26)		The ekklesia = Believing Israel (The Bride of Christ)

How does God reveal His plans?		Only to Paul does God reveal the "snatching away" of the Body.	To John God revealed the events to take place in the "Lord's Day" (Revelation 1:10)	To John God revealed Christ's return to the earth to reign		Only to Paul does God reveal the "consummation" to occur at the completion of the eons. [Note: There is a purpose to the eons -- Ephesians 3:11]

We must take care to discern between things in Scripture which are different from one another, so as not to mix things together resulting in confusion.
